TALK RADIO YOU CONTROL

ABOUT THE SHOW:

- A fast, smart, iconoclastic discussion with a unique pro-liberty viewpoint.
- Not left, right, and certainly not moderate!
- Intelligent discussion attracts an older audience, while our fast pace with multiple personalities attracts younger listeners.
- Your customers are seeing through the left-right paradigm – this is talk radio unlike they have ever heard.
- Once they discover us, listeners will ‘appointment listen’ to Free Talk Live, which means they are more likely to listen to your ads and buy your product or service.²
